HEAVY DUTY AND... BREATHABLE

A REVOLUTIONARY article on the work clothing market... The DREMPRO JACKET. It combines very technical fabrics worn by trans-oceanic skippers, with our historical know-how in protective clothing for the activities of professional fishermen and farmers.

Fabric description

Dremtech +: this is a high-tech, breathable, comfortable and tough fabric. Tough "4 layer" fabric for great durability and comfort. **Nylpeche:** very hard-wearing. The technical characteristics of the Nylpeche fabric provide completely waterproof garments unequalled for their strength and flexibility. PVC coating on two sides, easy to clean. Ideal for intensive and even "aggressive" uses. 485g/m².
