

NEW HEAVY DUTY NEW and... BREATHABLE!

A REVOLUTIONARY article on the work clothing market... The DREMPRO & DREMFARM JACKETS.

The upper part of the jacket is made from the highly technical breathable **DREMTECH+** fabric. This is a high-tech breathable, comfortable, tough fabric. Made of 4 layers in all The parts of the DREMPRO jackets that are used most are made of **NYLPECHE** fabric, since this is a benchmark when it comes to durability.
